

End of the Uptrend Wave Pattern!

Heavy transitions in the planetary positions for the month of September!!

A Major transition of planetary positions will take place this month with Mars turning retrograde and Jupiter and Saturn turning into transit. The Sun and Mercury will be crossing Leo and transit to Virgo. These transitions will have a huge impact on the sentiments of the market participants and the sectors pick.

Although, from 23rd March, the market has seen the uptrend in a particular wave pattern. From now on, the transitions of planets will come to an end and with that the wave uptrend pattern will see an end too. Hence, the market will have a different style of trend going further.

This will bring a major shift time as per Financial Astrology, Going ahead, the Trader's mood will change!
