

## **Financial Astrology- Stock Markets Nifty Trend, 7 Dec 2024 onwards**

**Nifty- The new astrological cycle has begun, marking a pivotal time for the stock market, particularly Nifty.**

**Bulls should exercise caution as the shifting planetary cycles may trigger a substantial correction, potentially breaking key support levels.**

**The market's trend will become clearer with the closing prices over the next three days.**

**Short-term investors are advised to consider booking profits on long positions.**

**while bears can prepare to establish positions as the trend solidifies.**

**In our upcoming update, we will share the projected ending date of the bearish trend.**
