Anxiety Over State Election Results Gives Way To Positivity and Optimism

www.shubhastroworld.com

Assembly elections are being held in five states, Rajasthan, Madhya Pradesh, Chhattisgarh, Telangana and Mizoram. While Chhattisgarh voted in two phases, other states will vote in a single phase. Counting of votes in all the five states will be done on December 11, 2018. The outcome of these crucial state elections will set the direction for general election next year.

Sentiments

NIFTY

www.shubhastroworld.com

The days ahead are extremely critical as it will reflect the future trends, sentiments of the people and their views about the present government. Investors and market participants are eagerly awaiting the results of the state elections as it will help them gauge the political mood before national polls next year.

Astro cycle

The astrocycle suggests that a day before the announcement of the results i.e. December 10, there will be nervousness and anxiety which will result in a correction.

As per the charts, the state election results will be in line with the general expectation and there will not be much deviation seen from the expected outcome. No major market mishaps are indicated.

FORECAST

That being said, there is a possibility that the strength of votes received by the respective parties may not be on the same level as in the past. This may result in some anxiety in the market, however, the astrocycles indicate a positive vibe through the day. Market will end trading session at higher level. The results will spread a fair amount of positive motivation among market participants.

Conclusion

www.shubhastroworld.com

December 11, 2018 will see the trading session begin on a positive note and will gradually pick up speed turning a positive side and ending the day on a positive note.

In conclusion, we can forecast that overall an optimistic and positive outcome is on the cards.

Thank You!
