Silver September Outlook 2025

FINANCIAL MARKET TREND PREDICTIONS 2025

By Time Theory – Review of Previous Guidance

In our last special newsletter, we had clearly indicated that Silver would create new highs until **13th September**. This projection remains firmly in play and has unfolded exactly as expected.

FINANCIAL MARKET TREND PREDICTIONS 2025

By Time Theory –September 2025 Outlook

Till 13th September: Silver continues to carry bullish momentum, moving higher and rewarding positional holders.

From 14th – 30th September: The metal is expected to shift into a range-bound phase. Prices will consolidate and firmly hold within this band, reducing the scope for sharp upside moves during the second half of the month.

FINANCIAL MARKET TREND PREDICTIONS 2025

By Time Theory –Strategy & Recommendations

Traders and investors are advised to book profits during September, especially after strong rallies, and avoid chasing fresh longs at elevated levels.

The yearly astro-cycle for Silver remains bullish, and hence this metal should not be ignored. The present consolidation offers a healthy pause in the larger bullish trend.

FINANCIAL MARKET TREND PREDICTIONS 2025

By Time Theory – Broader Outlook

October 2025 is expected to once again bring decent entry levels for Silver, providing investors with fresh opportunities to position themselves for the next leg of gains.

We will continue to update these opportunities and entry signals through our upcoming special newsletters.
