

Will markets touch the New High Pre - Diwali?

After a strong recovery rally, markets are facing a stiff resistance over 12000 levels since quite a few time now.

Will the bears take over and let the levels down or Nifty will rally and create the new high?

Time theory has the answer for this and astro-cycles suggest that Nifty will touch new high before Diwali 2020.

The time has come for NIFTY to shine with New high and it will happen Pre-Diwali.

From the last few trading sessions market is hesitating at 12k levels and it being such a high run from the crash that participants are expecting corrections anytime. Nevertheless, Markets have the nature to throw the unexpected always and this can be successfully traced through our unique Time theory- Financial Astrology. And time theory suggests that we are soon going to have a new high on Nifty.
